

Prayers for Health and Healing

Let us pray to the Lord

Lord Have mercy

O God Almighty, Lord of heaven and earth, and of all creation visible and invisible, in your ineffable and loving goodness, look down upon us, your people, who ask for health, patience and peace in your Holy Name.

Be our helper and defender in these days of uncertainty and affliction.

You know our weakness and our strengths.

You hear our cry in repentance and contrition of heart.

O Lord who love mankind, deliver us from the impending threat of the illness that surrounds us.

Send your holy angels and allow the intercessions of your mother, the Theotokos and of your Healing Unmercenaries, Kosmas and Damian and the wonderworking doctor, Panteleimon, to watch over us and protect us. Grant health and recovery to those suffering from this virus.

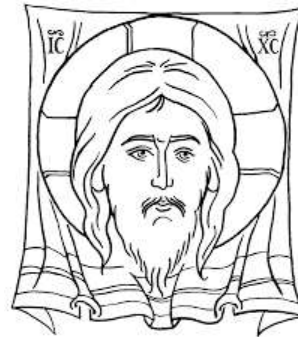

Guide the hands of physicians and preserve those who are healthy.

Enable us to continue to serve our suffering brothers and sisters in peace that together we may glorify your most honorable and majestic name of the Father and of the Son and of the Holy Spirit, now and ever and unto ages of ages. Amen.

Please list the names of the living in your family or anyone who needs prayer and return this form to the church office via email or mail to Fr. Anastasios to have those names read during the holy services.
