March 19th 2020

To our Beloved St. George Community

During this most difficult and challenging time, I want you all to know that Philoptochos is here and willing to help any individual who needs assistance.

I have spoken with Father and along with his blessings, I will be willing to shop, and deliver groceries, pick up medications and happy to call.

Although many of you do not need services, please note we do have some members who are isolated and cannot get proper necessities.

Many parishioners do not have email, so please pass this information along so we may reach everyone.

We have other members of Philoptochos that are willing to make phone calls and reach out and give reassurance.

We are one community in the Lord and we will prevail.

Blessings

Paraskevi (Peggy) Galiatsatos
